The Director has proposed that three Regional Diagnostic Laboratories may be opened in the Headquarters Hospitals at Coimbatore, Tanjore and Salem instead of four Laboratories at Madurai, Mangalore, Coimbatore and Tanjore. He considers that no separate diagnostic laboratory need be established at Madurai as the fully equipped departments of Pathology, Bacteriology and Bio-chemistry proposed to be opened in the Madurai Medical College will serve the needs of the Madurai, Ramanathapuram and Tirunelveli Districts. The D.M.S. has forwarded a copy of the letter from the authorities of the Kasturba Medical College which contains the offer referred to above and has recommended that the offer may be accepted and orders issued at an early date. ~~It is~~ it is proposed to accept the offer necessary extracts may be taken from the file and the matter may be dealt with separately.
